Labor Force Statistics and Continued Claimants Demographics

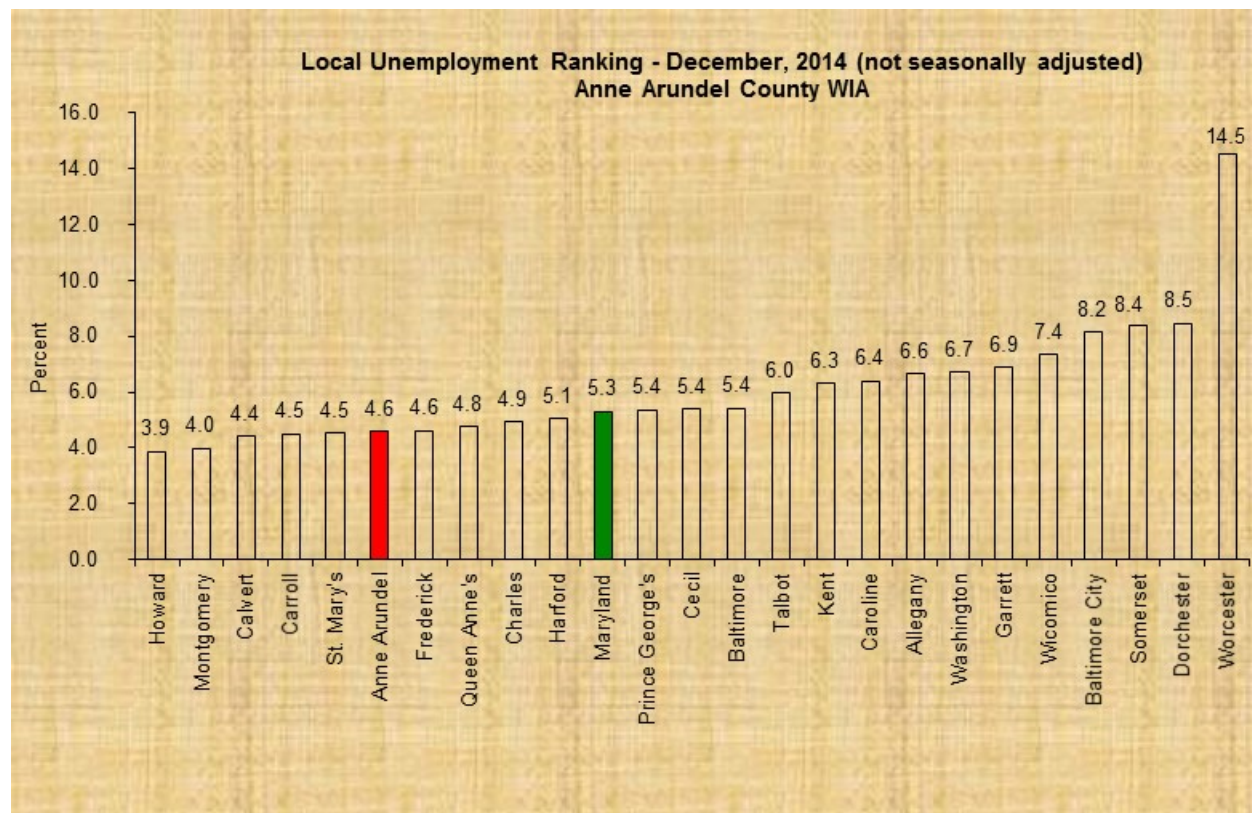

Labor Force Statistics

Anne Arundel County December, 2014				
Month	Labor Force	Employment	Unemployment	Rate
November*	305,445	291,282	14,163	4.6
December	304,090	290,079	14,011	4.6

*Revised

Anne Arundel County Workforce Investment Area (Anne Arundel County WIA) is a single county workforce region, and comprises those different sectors/communities within the county.

By December the labor force was consolidated by 1,355 residents for a monthly rate of change of -0.4%. The employment level showed a similar experience moving in the same direction and rate, but accounting for a loss of 1,203. The number of those who were unemployed decreased by 152 from last month and at a rate of -1.1%. There was no effect on the non-seasonally adjusted unemployment rate as that remained unchanged at 4.6%.
